Dear Jonathan,

When we met on the 20 January, you raised concerns about the delivery programme for the A428 Black Cat to Caxton Gibbet scheme following a progress meeting Heidi Allen had with Highways England on Tuesday 5 January.

Highways England has completed the further scenario planning work they were undertaking as part of the feasibility stage, and will progress with options identification in early 2016.

I can assure you that Highways England is committed to delivering the scheme in this Roads Period (2015-2020), and are on schedule to start construction as expected in March 2020.

The Highways England project team are keen to meet regularly with you to provide regular progress updates and to get your feedback on developments. The Programme Manager for the scheme is Dave Masters and he can be contacted on 01234 796657 or at David.Masters@highwaysengland.co.uk or alternatively, you can contact the Assistant Project Manager Andy Kelly on 01234 796657 or at Andrew.Kelly@highwaysengland.co.uk.

Yours,

Andrew
