Dear Secretary of State

Re: A14 Ellington to Fen Ditton – Public Inquiry

I have recently been advised that the Planning Inspector has been approached by objectors to the new A14 scheme and asked to put back the date of the Public Inquiry to allow more time for objectors to build their cases.

This scheme has now been under consideration for over 10 years and has been subject to continuous delays. The building of this new road is vital for the infrastructure of the County and I would urge you to adhere to the original timetable for the inquiry, which is due to begin on 20 July.

Yours sincerely

Jonathan Djanogly
